The Story:

Arrived and was made welcome. She is very alluring and we were soon chatting away like friends. Things moved on and she was soon down to her undies and we were having fun. She is very good with her hands and her oral is wonderful and she certainly enjoys it herself.

I was quite worked up so on ot her back and a few mins fucking her and then behind for some doggy and then her on top to finish things off. Certainly enthusiastic and and certainly worth another appointment when the time permits.
