The Lady:

4 ladies available. Jasmine, Janca (pictures of both on the website), and 2 others I can't remember the name of. One was mature but had fantastic boobs. The other was a beautiful european looking brazilian girl.

The Story:

This was my first time at Lady M's and boy was I made to feel welcome. The hosts Moss and Lady M herself were extremely friendly and welcoming. All my initial nerves were put at ease instantly. There were 5 blokes to 4 women. Fantastic ratio. After a brief chat and intro with the girls the gorgeous Jasmine asked me if we can get started in one of the rooms. We were the first couple to get into the bedroom. We started out by kissing and an excellent blowjob but I couldn't wait to go down her and eat her delicious pussy. I had her all to myself for a good half hour doing everything imaginable. Went back into the living room for a quick drink and a smoke before I asked Janca if we can have some fun. Started with owo and then went down on her. She tasted great. She then proceeded to give me another bj at which point the busty mature lady joined us. I kissed her deep then played with her massive jugs before licking her out whilst still enjoying the bj from Janca. I was in heaven. I then took Janca doggy style whilst kissing the other lady and holding onto her jugs before I shot my load inside Janca. Back to the living room for a short break and then proceeded to the other bedroom where Jasmine and the other brazilian were just talking. Well we can't have 2 beautiful brazilian babes standing around doing nothing so I immediately went for the other brazilian that I hadn't sampled yet. She had a gorgeous face and extremely tasty pussy. I must have licked her pussy and arse for a good 20 minutes probing my tongue deep inside her beautiful star. I was actually tongue fucking her anally for a good 10 minutes (my favourite pastime). Unfortunately she didn't kiss which is a great shame as she has a gorgeous face. A brilliant party never-the-less and for the nervous ones that haven't tried a party yet forget the rest of them in London. This is the one to be at. Unfortunately I live too far north to come down on a regular basis but next time I'm in London you know where to find me. Enjoy!
