### The Story:

This is the first girl I have seen from this agency and I was very impressed with the whole experience. Anita was amazing, lovely warm personality, an engaging smile, chatty - but no overly so and a sex dynamo. She worked very hard to please me, superb blow job without, she took my complete rod down her throat, not wishing to sound conceited but with my cock that takes some doing.

Anita was a great fuck to, liked to change positions which suited me fine, ended up ramming my meat into her from behind for the climax. She loves to french kiss and is very good at it.

Left after a shower, a chat and a nice deep kiss by her door, me dressed her completely naked, had one last grope at her tits and left with a big smile.
