### The Story:

I think with Becky I have finally found an absolute cracker. She's Bubbly, Sexy, Horny And by far too good at her job (lol) She put me at ease immediately with some great kissing and mutual fondling and then climbed up on the bed and gave me a great BJ. I realised my mistake when choosing OWO the second Becky started, WOW is all I can say. I wouldn't say that it was a GFE because if I came that quickly with a girlfriend then I think a trip to the doctors would be called for. But I think that Becky is going to be worth however amount of money it takes to get to the stage of a true GFE.

The only disappointing thing is I didn't get to taste that lovely shaven pussy, ( I assure you Becky the next time it will be the first thing I do ) But I had to go back to work anyway so all's well that ends well eh. ( who am I kidding I would rather have been very very late indeed ) Thanks Becky xxx
