The Lady:

I quote from Web site :- a tall, slim, bubbly blonde who really enjoys her work.

Web site pictures accurate. She does wear a dental brace, which I found cute. All the girls here are gorgeous.

The Story:

This was a very different punt for me. Sophie was a very naughty lady and I was quite surprised how the session went.

It started with Sophie needing the bathroom, but someone had just gone in so she asked if I fancied "water sports" and as she needed to go, I would get a 50% discount.

This was something I had not tried for years and I thought I had grown out of it, but I agreed anyway (I'm a pushover and I like VFM).

So off we went into the usual massage routine, back then front, then the old fella etc and on with the protection. I declined oral on me (and got another discount!) and we moved over to the leather couch (as one does) for the main action.

All the time I'm thinking she has forgotten the Water Sports, even though I thought she was bursting.

Anyway, after a promising start with some pleasing horizontal dancing, the old man decided that he

wanted a rest and we stopped. At this point Sophie reminded me that we were going for WS and she decked the floor with the paper roll that's used on the massage table.

I will not go into detail here, suffice to say, it certainly awoke memories of my old interest in WS.

I think she enjoyed it almost as much as me, her dirty talk had me begging for reverse O (kerr_ching ?10) coupled with hand relief saw me finishing swiftly in an unbelievable climax. I was surprised as I can not usually finish this way.

I suspect that Sophie can be a really kinky lady, I certainly enjoyed myself, and have thought about this encounter a lot over the last week. I don't know if it would always be on offer or if it was just a spur of the moment thing, but thanks anyway Sophie.
