The Story:

Awesome - tried the Aqua Room this time, but only because was so busy in there today! Great little room, soft music, mirrored ceilings and warm, very relaxing!

Great time had by me and i hope Sophie, very sexy lady and was happily chatting away to her while she massaged me, front and back and expertly got me hard! I finished off standing behind her with her bent over the table and watching her in the mirrors was great!

We didn't really use the shower to its full potential but i'm sure i'll be back to see Sophie soon.
Thanks babe.
