The Premises:

Typical small terrace house type parlour on Hartshill Road in Stoke, next to a newsagents and a couple of doors up from Diva's. Has a discreet rear entrance as well as the front door. Parked in nearby street.

The Lady:

Fairly tall (about 5' 7" without heels), aged about 21, slim, lovely figure, long brunette hair, and the face of an angel! Very sweet looking.

The Story:

This was my third visit to this parlour, (and the second in 2 days!) although I understand that the rules mean I can not post any more reviews about this place in case someone thinks I work for them (I wish!!). As it happens I only visit the area a couple of times a year, so I had to make the most of it.

Once inside, no girls were immediately available and I had to wait about 10 minutes. Peaches came into reception, wearing this baby-doll thing that left very little to the imagination, smiled and said hello and the receptionist asked me if I would like to see her (Peaches, that is). Would I? You bet!!

Peaches came in the room while I was finishing my shower, and waved at me, at the same time taking off what little she was wearing and jumped on the bed, waiting. After some small-talk, she gave me a massage, but this soon decended into tickling in a very delicate place! I turned over and the real business began.

I don't like to go into intimate details, but I will say that what she does she is very good at - very good indeed, and she certainly delivers. I finished in the mish position, and I have not "shot my bolt" so quickly wearing a rubber in many, many years! (it takes me some time to get there usually).

Peaches is fairly quiet, with soft moans, and sexual conversation is limited. She gives good eye contact, smiles, very sexy, but then glances away - almost as if she were shy, but this just adds to the "angelic" experience which is Peaches. She is almost too sweet to be true.
