### The Story:

I do not usually put reviview but today I feel obliged to do Amanda justice, I do not know what did topresearcher see, but I can

assure Amanda is stunning and definetely in her mid 20s.

I'm a regular client of Amanda and first time i saw her

I was really impressed by her body, her conversation and level of the service... She is a high class lady and if you know how to treat real ladies you will have the best experience you can get. I've never been disappointed with Amanda and always had lot of fun.

I definetely reccomend this lady to anybody who can appreciate beauty and intellgence!
