### The Premises:

The Head Office. As described previously, smart, clean, well run.

### The Lady:

Website photos are accurate. Small breasts but that's how I like 'em! Every inch is taut, nothing saggy or stretch-marky - very nice. Her face is striking rather than pretty - but that might be the makeup.

### The Story:

I had arrived wanting to see Tiffany, but she was off sick. Becky had not been on the rota but she seemed the best bet of the women available. I told her I wanted to try deep throat as none of the women I have seen have been able to go 'all the way down to the pubes' - and she did not disappoint. I'm surprised Becky hasn't got more reports - she's full-on. Don't go if you want a slow comfortable screw, she won't let you relax! Loads of OWO followed by mish and doggy then more OWO. I wanted to finish in her mouth but bizarrely the old fella didn't want to cum. This was not for the lack of trying on effort on Becky's part! I left the money for OWOTC as a tip anyway. I'm always impressed when women put effort into the show and Becky certainly did that. It's got to be hard for them to summon up the energy for every punt. I'll be back for the OWO without a doubt.
