The Premises:

Terrace house type parlour on busy Hartshill Road in Stoke. Discreet rear entrance. Inside is very nice, clean and with a good atmosphere. Parked in a nearby side street.

The Lady:

About 5' 6", late 20's, long blonde hair, lovely figure, stunningly attractive and..... need I go on?

The Story:

This was the 2nd of 3 visits to this parlour I have made recently. Despite that, I am new to all this (middle aged crisis or something!) - I have not been brave enough to go anywhere else yet and felt very nervous before entering again.

I was told that only one girl was currently available. Emma was called in to say hello in reception - gave me a kiss on the cheek, and then left again promptly. I was in a state of shock as I was shown upstairs to the room for a shower - as I realised that she was the "real deal" - the sort of girl you see in magazines and dream about - and there was no escape now!

Emma arrived in the room as I was finishing my shower. She happily chatted to me while I tried to get a hold of my nerves, and I chatted back as best I could. I can't for the life of me remember what we chatted about - something trivial!

Anyway, she asked me to lay on the bed and she started to massage my back - and from then on I started to relax and enjoy.

I suddenly realised that her hands were not massaging me any more (by the sudden appearance of them next to my ears!) but something was gently sweeping up and down my back - two "somethings", in fact! Talk about erotic! I then turned over and the treatment continued, lots of eye contact, very slow, very deliberate, very varied, and very, very good. A dream coming true. Those eyes, just looking at me as she did her stuff - something I have never experienced before and will always remember. I don't go in for sordid details, suffice to say that Emma is pure class, oozes sex appeal, and says some things that make your toes curl! After a very satisfactory conclusion she was

happy to chat and came over as a very normal, switched-on person. A lovely girl, in all respects - and respect is something I certainly have for her. An absolute treasure.
