The Premises:

Honeyz has been in Forest Gates for ages. Inconspicuous from the outside. Homely and pleasant inside, but not modern and trendy decor.

The Lady:

Nicola is around 25. A pleasant face with long black hair. Chunky appearance but not fat - the classic big girl. And with that enormous breasts. I couldn't put a size on them, but they are more than enough for any man to handle.

The Story:

I really like Honeyz, and as I approached I wondered why I had left it so long since my last visit. I've never had a bad experience here, and this occasion was no exception.

There was the choice of an oriental girl and Nicola. I wouldn't automatically go for huge breasts, but Nicola had a pleasing figure, and she seemed very nice when she introduced herself.

This was to be the case. I opted for the ?50 half hour service, which is extremely good value. Nicola settled me in with a decent and sensual massage. I mentioned she was friendly, and during the massage we achieved just the right amount of conversation to make things relaxed. After a 5 or 10 mins massage I lifted myself up slightly, so Nicola could feel around my cock and balls.

I flipped over, and Nicola gave me a body to body massage. Just wonderful moments, slipping my cock between those huge breasts, and she also sucked my nipples.

Then onto the oral. Nicola offered 69 as reverse oral is included in the price, but I felt like being lazy so I politely declined. It was good oral, and went on for some time.

We moved onto sex, with me going on top. It was a shorter experience than I would have liked.

Nicola had got me close with the oral, she was tight, and it was such a horny view seeing those breasts shake backwards and forwards, that I couldn't hold back. Nevertheless, it was a delightful experience. Nicola, to her credit, offered to massage me again as I was under my time, but I said I was more than satisfied.

Once again, another great time at Honeyz. Highly recommended.
