The Lady:

About five feet four with longish strawberry blonde hair. 32 years old but looks at least five years younger. Very friendly with a pretty face and a disarming smile she has the body of a trained athlete. Reminded me of the international sprinters you see on TV with their small boobs, gorgeous arses and shapley thighs. Also keeps a lovely surprise in her knickers!

The Story:

Ruth greeted me at the door wearing a sexy short skirt and figure hugging top. She looked fabulous. We embraced and kissed in the hallway and then after a short chat and the hand over of my hard earned, proceeded to the bedroom.

Ruth slowly undressed me, kissing me passionately along the way and then undressed herself revealing her wonderfully toned body.

We tumbled onto the bed kissing and fondling each other and I was amazed at how firm and sexy her body was. Her small but beautifully formed breasts pushing against my chest and her nipples erect with excitement. I couldn't resist but to move down to suck them and Ruth seemed to really enjoy this. After a short while I continued my journey south and was amazed at the sight that greeted me when I reached her nether regions. I am getting on a bit and I've been around the block a few times but in all my life I have never seen a clitty like Ruth's. It is by far the biggest I have ever seen, it's huge and her pussy lips are large and pink. I licked and sucked her clitty and it seemed to grow even bigger. Ruth was moaning and writhing in pleasure and my cock was throbbing in anticipation. We changed to 69 and Ruth's oral technique was fantastic. She takes it quite deep and makes good use of her tongue stud around the head. At the other end I was surprised by how much of her genitalia was actually inside my mouth! Amazing!

After a few minutes I asked Ruth

to change position slightly so that I could watch as she sucked my throbbing cock. She willingly obliged and positioned herself so that I could see the action and gently finger her tight juicy pussy at the same time. It wasn't long before I reached the point of no return. Sensing this Ruth pulled back and wanked me until a split second before I came then stuffed my cock deep into her mouth just as I fired my first salvo. She gently milked me with her mouth until she had got every last drop and swallowed the lot.

We lay back on the bed cuddling and chatting for a while then Ruth went to get us both a drink before commencing round two.

More lovely french kissing and OWO soon had me hard again and after a short while Ruth fitted the condom and eased her gorgeous pussys down onto my straining cock. She rode me cowgirl style for a few minutes then rolled us both over into the missionary position so I could control the action. It wasn't long before the sap began to rise again and I asked Ruth to turn over so I could give it to her from behind. Once again she was happy to oblige and as she knelt before me with those fantastic lips wide open I couldn't resist a final suck on that giant clit before giving her a good old pounding doggy style.

Before long I shot my second load and we both collapsed in a heap on the bed, knackered but happy!

What can I say? Great girl, great body, great OWOTC and a great shag. I think she's great!
