Spanish Lady 5'8ish great figure lovely eyes could melt you

The Story:

Opted for full service with covered oral and reverse oral.

reasonable massage, a bit routine but think that this could be easily altered, oral with my option thought might not last without and was probably right, as this was good, returned the favour on a nice sweet tasting pussy, and was treated to some vocal response, finished with mish, and unfortunately could not last too long great eye contact throughout and very complimentary makes one feel good. also very good conversation that puts you at ease.

Must save up pension and return soon
