The Story:

I had been meaning to visit the retreat for a while as I liked what I have read about it, although as a rule I don't visit the city too often as I find that the prices are rather inflated.

Wow what an experience I had with the lovely Louise a true star.

I tried something new to me a role play scenario and it was fantastic. I have long wanted to fuck one of my other half's friends and I got the chance today, started with some tie and tease then went on to eat my fantasy girl out [yum yum], I was then tied to the bed and made to do what what I was told ?

Finally after receiving some excellent oral I was ordered to take her from behind and I proceeded to do to my fantasy girl, Christ what a wonderful experience, [I will never see the other half's friend in the same light again].

Overall a great time with a great lady, thank you Louise you can arrest me any time you like !

I will certainly be returning to the retreat in the near future.
