The Premises:

The location is right opposite Borough Market in the City. Once inside it is small, but modern and comfortable.

The Lady:

Jenny is a young, petite Chinese woman. The location reminded me of the one that used to be at Hendon.

The Story:

From a massage perspective this is a good location. I had a shower before entering the massage room which was on the too floor. The massage was excellent, nice and firm and all my aches and pains

melted away. After a good session, I turned over for the relief.

Regretfully it was relief only, not topless. That was a major disappointment and I was only allowed to lift Jenny's skirt and fondle her bum.

I believe for an extra 20 pounds, topless is available, but it is steep in my opinion.

There are usually 2 girls working there and if the massage is your primary concern then it is worth a go. I may return at a later date and maybe pay the extra.
