The Premises:

Needs nothing more to be said other than, "This is The Head Office", fast becoming the best establishment of its type for a 100 mile radius ? make no mistake, this is the place all others will be judged against ? its that good!

Arrived without booking & had a short wait. Spent a very enjoyable 20 mins. chatting to the receptionist- about the parlour scene in general. Hopefully sowed a seed of thought about holding a party ? for those that have ever visited The Head Office would know what a great party it would be!!!!!! I know Fiona reads these reports, so what about Fiona, you would have no trouble getting 12 or so guys to book a 2 hour party at say ?150 ? guys mention it to reception, see if we can get a response from the lovely Fiona.

The Lady:

When Peaches became available she wandered into reception, smiled & said hello ? HOOKED, could not think of anyone else I would be likely to want, after seeing Peaches.

I know it?s been said many times before, but her pictures only show a glimpse of the beauty of this lady. Statistics on site are 100% correct ? but personality & sexual charisma of Peaches have to be experienced to understand ? a softly spoken sex angel ? is probably the best way to describe her. But I don?t imagine many angels pleasure a man in such a skilful way, she is simply gorgeous, with a perfect slim body, Peaches is also blessed with a mighty fine set of boobs :-)

The Story:

Just got out of the shower as Peaches entered the room, within seconds I became hard as hell, Peaches looked down, smiled, & in such an innocent voice, asked if I wanted a massage ? That?s not the purpose of my visit, was my reply.

As I gently undressed this lovely lady, it took me back years!

There followed a mix of gentle love making, frantic sex; not to mention incredible owo & reverse o ?

sex in three positions (tip guys,she loves doggy & responds well).

Guys, visit Peaches, she is fantastic ? honest.

My 2nd so last allowed report on The Head Office, up to the rest of you now.
