The Premises:

A pleasant house on an estate. Relatively easy to find with the directions provided. Street parking available, although with the nearby school there will be times when it is busy.

The Lady:

Tall slim and nicely tanned with medium length blond hair. Fully shaven pussy.

The Story:

Half an hour is a little short for me as it takes me that time to relax with someone I have not seen before. Julie is pleasant and chats and cuddles and kisses to put you at ease. Her pussy is good to lick and she she gave OWO and, unless I missed something, seemed to have swallowed when I came. Overall, quite enjoyable but a bitto short. I could do with an hour to make my mind up propoerly.
