The Story:

Having been a small operation for the last few years Kandy has taken on a lot of girls recently and boasts a current staff of about 10, two of which work each day. However I have had 2 poor experiences there in the last 2 months (both girls no longer work there so Kandy is obviously keeping her eye on quality control) and was therefore slightly worried about this visit. But after ringing I was told that Kandy was working and having seen her on a number of occasions knew that I was guaranteed a good time if the other girl on was not to my liking.

After a 5 minute wait Nya was shown in the the waiting room and I decided to see her based on her stunning looks and very friendly demeanour. After sorting my requirements and the money in the clean and comfortable bedroom upstairs I was left to undress and Nya returned promptly.

Without going into detail Nya gave an superbly intimate girlfriend experience, with lots of stroking and kissing. Her oral was excellent with sexy eye contact and sex in missionary position was relaxed and sensual. I am sure she could go at it 'hammer and tongs' if required but that was not what I asked for and she got everything spot on. Although I declined reverse oral (at an extra cost) I spent a great half an hour with and intelligent and sexy young woman who I would not hesitate to recommend.

I met Kandy in the kitchen on my way out and she is looking sexier than I have ever seen her. I will be seeing her soon on my next visit but I will also certainly return to see Nya.
