### The Premises:

Very clean place, in a large apartment complex. Easy to find, plenty of local parking.

### The Lady:

Typical mid-20s Brazilian babe, with great boobs and a bubble butt to die for! Silky black hair, very kissable lips. Cute face.

### The Story:

After sorting out the money she undressed and lay flat on the bed, giving me this "fuck me" look. I mounted on her, rubbing my cock between her butt cheeks. She wriggled with pleasure. I turned over and she took my cock in her mouth hungrily and sucked me to full erection. After a few more moments on went the raincoat and I flipped her over, taking her hard from behind. Alas I came within a few seconds. She tried really hard, bless her, to get me going for round two, but my little johnny wasnt working :( Overall a great performance.
