The Premises:

Typical old luton street in town centre, very quiet and very discreet. House was very well kept and clean inside and you can see it is very well run by the famous North East maid who used to work at Chertsey Close. Bedroom was very clean and hygiene was on show with wipes and all that

The Lady:

Brazilian stunna, 23 years old. busty sexy bum darkish complexion. looked like a spanish upmarket pornstar.

The Story:

Daisy was stunning . I paid ?80 for the full works, OWO was done with the passion of a porn star. French kissing was so erotic I actually was falling in love. Without out sounded big headed I think there was some attraction on both sides. So if your are a punter who is ugly or smells, she is that classy and picky you would probaly not have the same passionate time I had. Yet again the North East maid gets another absolutely perfect gorgeous brazilian to work for her. She only works Mondays as she is a hairdresser by trade
