The Premises:

Massage parlour on busy Bristol Road. Fairly easy to park in nearby side streets. Always seems safe here although you can feel a little conspicuous while you are waiting to be let in.

The Lady:

Young oriental looking girl with dyed blonde hair. Quite pretty and could have passed for a pornstar with her kit off - nice legs, ass and tits and a lovely shaved pussy. Bit of a tummy but that didn't detract from her overall sexiness. Although she said she was from Hong Kong, she sounded more Eastern European.

The Story:

First time that I had been here for ages. I used to see Sabrina here and she still works on Sundays (See report no. 20520). Had a shower first and lay face down on the bed waiting for Mimi to reappear. She stripped down to her high heels and gave me a really sexy massage. An excellent blowjob (covered) followed with plenty of eye contact. Reverse oral was not offered and she had put a lot of lube in her pussy, so I didn't ask. Went a bit downhill after this and she tried to get me to come quickly while fucking her in mish and then she wouldn't do doggy because I was "too big". Got her to go on top but she wouldn't let me suck her nipples and soon got off and started giving me a hand job to finish. Another shower before I left. Not a bad punt but you can get so much more for the same money so I probably wouldn't go and see Mimi again.
