The Story:

Paris is a lovely girl, who obviously takes pleasure and pride in her work. When you're with her, you are obviously the centre of her universe. She thrives on compliments, and returns them. However, she is very much in control. However clean you may be, she will insist on giving you a bath first - which can be a very pleasurable experience, by the way. She is also a little limited - straight sex in any position, kissing and cuddling, covered oral, but no 69. This is a girl who likes sex a lot, likes a lot of sex, and delivers top quality - but on her own terms, absolutely.
