The Premises:

Same Place as Paola of the same agency - ten minute walk from Earl's court station. Flat done up in a middle eastern theme. Pretty garish and obviously only used by WG's since no other bugger would live in it.

The Lady:

Absolutely Beautiful. One of the best looking girls out there at the ?150 level. Better than most girls period. Dressed a little cheaply in a denim mini skirt which didn't suit her and detracted from how she looked initially (wasn't on her for long)

The Story:

Performance wise she was very willing, having sex in whatever position I wanted, owo, facial and cim although she let the cum dribble straight out. 2 rounds and it was her encouraging me to get hard again. Kissing was a little reticent at first but warmed up as the time went by and although she was obviously new and a little unsure of herself at times her attitude was such that she can only improve. English wasn't brilliant but better than a lot of girls and she's going to be here for a year so she seemed keen to learn. Definitely one to go back to.
