The Story:

This was my first time with Amanda and boy was she worth the wait. Felt very comfortable whilst waiting and a lovely chat with each other before we went private. Once inside the room was made to feel completely at ease. Her massage is without doubt the sexiest I've ever been privileged to receive. She loves to pay attention to you believe me.. A very full personal service was followed by what can only be described as the ultimate girlfriend experience. She has fantastic lips that ache to be kissed and a body to die for. Oral technique is amongst the very best and she is as willing a recipient as she is a giver..... Sex was fantastic in many positions and to many different rhythms.

This lady is without doubt the perfect hostess.

You may well have tried the rest but believe me this girl is undoubtedly the best.
