The Story:

As I entered her appt she was all over me had me undressed b4 I had even sorted the money out. V quick to take charge lovely bbbj almost had me cumming too soon. Returned the favour and she cums REALLY LOUDLY almost suffocating me between her thighs. v wet pussy. More bbbj b4 I used a vibe to make her cum again. God knows what the neighbours think! Mish with her legs over my shoulders cowgirl and doggy followed. Linda does not do a+ but does not mind a finger or tounge in her arse. Another bbbj with ballsucking / cim but no swallow then a v relaxing massage. Went down on her again this time she took 4 fingers up her and she almost screamed the place down when she came. More bbbj again I came in her mouth. A v enthusiastic woman who clearly enjoys what she does. Excellent VFM. PS ask to see her range of toys and other accessories. PPS dont be too surprised if she sticks a finger up your arse whilst sucking you off just go with the flow.
