The Premises:

WFB in Bury - well reported on before in general, this visit was made to the apartment which is part of the building and also has its own entrance. Nice little place with a lounge and kitchen downstairs, a bathroom and bedroom upstairs. Only problems were a lack of cutlery for eating with and the fact that the heating went off in the evening so the shower no longer had any hot water.

The Lady:

Elle is early twenties, blonde and beautiful. Very slim and fit with enhanced breasts and a very chatty personality. Been seeing her quite regularly for about 3 or 4 months now and getting to know her a little bit. She always makes me feel special and provides a very, very good gfe. She's extremely good for my ego ... lol

The Story:

When I saw on the website that WFBs were making their Bury apartment available for overnight stays, by arrangement and with the prior agreement of the girl concerned, I just couldn't resist the idea, so I asked Elle if she would be willing and was very happy when she agreed.

Plans were made and I agreed to cook some food for us, which made it a little annoying when we found there were no forks in the place! However, this was only a minor problem, as the food wasn't really the main menu item for the night, after all. I'm not going into huge detail here about everything we did, because apart from anything else it would take too much space! Suffice it to say that Elle was superb, I didn't get too much sleep, and I want an alarm clock that does what Elle did to wake me up in the morning!

I can't work out how long it will take me to save up to do this again, but it was one of the best nights I have ever spent and I want to repeat the experience as soon as I can.

Thanks Elle - see you soon xxxx
