### The Premises:

Decent place, quiet road. Not too far from Tube. Use Regents Park rather than Edgware Rd or Baker St.

Shower facilities good, her bedroom was nice and cosy but student like.

### The Lady:

I have to be honest that her pics are more flattering than her as she is a little curvy than expected. Not fat! I did not mind but I always like to get who I see on the website, maybe I expect too much. Dark blonde hair, runway pussy, nice natural breast with lovely pink nipples. She remind me of the university girl you always wanted to fuck.

### The Story:

Very welcoming, her English is limited but she tries hard. She likes to please and ask you what you want to do. Surprisingly she has been in the UK for 7 days. Mmmm still new and you can tell when they get wet themselves as part of foreplay rather than put the lube on.

She does a lovely prolonged oral session. Loves to be fingered. Sex in various positions followed by CIM but it went mostly on her chin and down her neck.

An enjoyable experience but not sure if worth the ?200 more between ?150-?180.
