The Premises:

Not been to this place for years. Always considered it to be a bit of a dump but recent changes and extra rooms and more WG working have improved it enough for me to give it a try. The entrance is good and discreet if your on the shy side. All they need now is a good web site to view the ladys.

The Lady:

Pleasant and friendly, about 30 -35 slim with nice jugs.

The Story:

Excellent massage with friendly chat and occasional nut squeeze. Got the old man warmed up well. Turned me over and out came the jugs. Parted my legs as she licked my balls and rimmed me with my legs up in the air. Good owo and stopped just before I blew. On with the coat and cow girl to finish. Superb and no extra money was required. Defo back for more with this lady.
