The Premises:

A Victorian(?) house near to car park just off the centre of Bedford. Quite a high traffic area so safe enough although you wonder if anyone you know is driving by!

Clean and comfortable room with a big bath for you to both enjoy as well as a bed.

The Lady:

Typical Thai; short, lovely skin, long hair, slim. Breasts enlarged since my last visit but still small. I'm not a fan of breast enlargements though.

The Story:

The maid showed me into the room and began running the bath. ?30 for 40 minutes, ?40 for an hour, I was limited regarding time so went for the 40 minute option. Got undressed and waited for Patti. She remembered me even though I hadn't been there for a couple of years.

Patti got naked and we both got in the bath for a 10 minute session of washing and touching before moving onto the bed for a massage, OWO and sex. Enjoyable and fulfilling. Paid her ?80 - well worth it.
