The Premises:

Nice little mews flat just off Gloucester Road ? OK in daytime though might be a bit hard to find in the dark. Smart and clean, bedrooms OK though nothing special ? clean bathroom with piles of clean towels, looked as though they were ready for an orgy ! Nicole shares flat with Kate of same agency.

The Lady:

Nicole is no stunning beauty, but when she grins she is very sweet. Very limited English, but she is happy being a whore and puts her heart and gives 100% to give you good time.

The Story:

Offered a drink when I arrived, and met Kate as well who came out in her normal clothes and kissed me and I gave her a good grope which clearly turned her on. Nicole stripped off there in the lounge, revealing a nice slim tight body. Then off to the bedroom, where after bringing Nicole to a shuddering orgasm with some really enjoyable reverse oral (she has a very sweet shaved pussy), we fucked in several positions until we both came together, which was surprising but very enjoyable.

Just lying on the bed with Nicole massaging my cock when Kate walked in naked, sat on the bed and slipped my cock into her mouth ? bloody amazing. Neither of the girls had enough English to explain if this was a special promotional offer for April or whether Kate just loved cock !! Certainly brought my friend back to action, even more so when the two girls fell on each other and Nicole sucked on Kate's pussy so vigorously that she came loudly within a couple of minutes. Clearly Kate was hot, so I thought I'd move quickly to shag her, rolled her over on her knees and plunged in ? you never can tell with girls, some skinny girls have generous cunts, but Kate, who is a nicely built girl with a womanly figure, was very tight ! Despite that, she was very keen and really took a good pounding once she got juiced up. Took turns fucking them both, being sucked by two mouths at once and generally having more fun in 30 minutes than a guy ought to have in a week!

These girls are really nice intelligent kids, over her to fuck their brains out and earn some money and I suspect they are genuine lovers ? hence there willingness to fuck together. They said they are

going to be around for three months ? I'd get round there and, whichever one you're fucking, make sure that you leave the bedroom door open.
