The Lady:

Black girl with beautiful face, a bit older than the 21 years declared.

Loose tits but amazing nipples, and an arse for worshipping. Dressed in a mini black dress. Tarty red lipstick (nice). Shows the ravages of childbirth.

The Story:

Booked an hour and it got off to a good start. Massage was good, chat cheerfull. Had reverse massage and enjoyed licking them nipples and that booty, then had reverse oral which was tasty and produced good responses. Took OWO which was delivered well, the tongue stud increased the delight as did the lipstick marks on my dick.

Choose cowgirl followed by doggy. The sight of pounding that arse made the knob erupt big time.

Round 2 simply wasn't an option despite her offer to have a mutual masturbation session, so we lay in a sort of GFE hug chatting about porn and other stuff.
