The Premises:

A very familiar block 5 mins from South Ken station , I have been there so many times I think I should move in !Always discreet and ok .

The Lady:

Lovely Brazilian woman in her late twenties probably , and that slight maturity really turned me on .Fantastic Latino arse if that's what you like and a plentiful pair of tits too! Very little English but I find with Latino girls they are normally always outgoing and good humoured and just laugh at everything so it was all good fun , and I wasn't there to discuss Shakespeare anyway ! A delicious firm curvy body but not an ounce of excess in the wrong place !

The Story:

Lots of botty worship from me and Tatjana was responsive and very vocal when it came down to pussy licking and ass rimming her.Very clean and sweet tasting ! Fucking her was delightful and she can do wondrous things with her vagina ! Two big cumms fitted in with no problem , unusual for me but her bod really turned me on and she has a great attitude and natural friendliness ; I really liked her and would return without hesitation .
