### The Premises:

Very small but satisfactory room in Chelsea Cloisters

### The Lady:

As per pictures, I'd say late 20's, large tattoo on lower back which you don't see in the pictures. A bit too much make up and foundation, looked more trashy than classy.

### The Story:

She likes to talk, wasted nearly 20 mins!. Requested a hand job, came very strongly over her very nice tits. A bit more chat, covered blow job (I requested the cover, always play it completely safe now), then doggy style standing up. Lots of fake moaning and porn star phrases "Your cock is so big", "my pussy is so hot", "I love it so deep", etc, etc which I'm not into but made me laugh.

On the whole it was fine, she wasn't quite as good looking as I'd hoped, but she's friendly enough. On the down side she answered her phone twice during the hour and it rang several times as well, why not just turn it off? it's very annoying. Also, she wouldn't take her stockings off, not sure why. I prefer the classier look such as Cameron who used to work for the same agency, I wish she's come back.

By the way the agency is very efficient and professional, used them several times now.
