The Premises:

Place was decent and reasonably clean. Seems like she moved in recently from a place in Victoria.

Private and secure.

The Lady:

Lady was 5.5". Definitely not 23. I'd say older than 30. Photos must have been taken some time ago. A bit fatter, although still shapely.

Pert little breasts and for a lady this small a large v****a.

The Story:

I have seen her on the web a number of times. She is also on BlueMonday as Lara and called Dana on Lounge69. Has been on the 90Minute site previously known as Dana as well. She has been in London now for some time.

Met me at the door with little left to imagination. She is a good f**k. Responds well when you s**g her deep. She likes a bit of back door play and nibbling on the breasts.

Must say she was a bit quick and you got the impression she was a pro in this game. Money was high on her mind and the clock was watched.

A bit disappointed.
