### The Lady:

tia is a delightful, very attractive,sensual lady who really knows how to pamper and spoil a man. shes aged 30, attractive, exotic half-malaysian, half-english lady, who bares a strong resemblance to tia carrere the sexy actress who starred in the movie true lies with arnold schwarzenegger. tia is tall and leggy at 5, 7 with a slim busty figure of 36d-24-35, all natural and all woman. she is an articulate, intelligent lady who loves to make a man feel comfortable by chatting with him and really made me feel totally relaxed.

### The Story:

tia is a qualified massage therapist, who certainly relaxed me, and made my temperature rise with a few tantric moves too. she not only knows how to use her hands, but is also skilled with her mouth too. she kissed my body all over, and pumped and teased me to a level of strain in my cock. when she finally straddled me, she lowered her pussy on my straining cock, boy did it feel good. she has a tight, juicy pussy and knows how to work it. we had sex in several positions, and when i shot my load, i felt like i was in paradise. i left with a big smile on my face, and as a matter of fact have seen tia again. she works monday and thursday nights at ladybirds. if you cant see this delightful lady at night, you can catch this bird of paradise at the georgian health club in oldham on tuesday daytime between 10am and 10pm. however, if your,re a night owl like me you can visit tia at ladybirds between the hours of 9pm and 6am, monday and thursday nights. enjoy
