### The Premises:

Easy-to-find block of flats between Bayswater and Royal Oak stations. Answerphone entry, with nobody on duty at the main door. Felt totally safe and unobserved. Clean, nicely furnished flat, enhanced by subdued lighting, including candles in the bathroom.

### The Lady:

Not exactly as she appears on the website, but just as attractive. Quite tall, and perfectly shaped, with beautiful tits. Small landing strip below and a very erotic pussy.

### The Story:

Reviewers occasionally say they've fallen in love, and although I haven't done that, I now know what they mean. Because Linda's fabulous. She never asked my name, which was a bit impersonal, but that's the only fault I could find. She explained that it's important to her to enjoy the personal relationship (even if she doesn't know your name!) as well as the sex. She plays her full part, but without trying to take charge, and she has a friendly and mischievous manner.

After a pleasant chat she removed my shoes and socks, and then, at my request, did a striptease. As she was wearing only a slinky black dress and some black briefs, this didn't take long, but there was some very enjoyable audience participation. Then she undressed me, kneeling down at the end for an initial bout of OWO. Throughout the whole visit she kept her heels on, which I found exciting.

As reported previously, she makes the right sounds and does reach a noisy orgasm. No anal, but all other normal services (kissing, uncovered oral both ways, finger-fucking, rimming both ways) are happily entered into.

She'd set her alarm to go off(!), but when it did she seemed to be in no rush to get rid of me. Dressed only in her briefs and shoes, she saw me off with a couple of kisses. As I said, easy to see how people fall in love.
