The Premises:

Smart Hotel at Marble Arch so very safe, clean and easy to find.

The Lady:

Petite, size 6, gorgeous blonde with great enhanced tits. In her late 20's but looking really great and full of energy.

The Story:

Met at door by Estelle in matching undies all in virginal white. She french kissed me there and then and after letting the agency know I had arrived she had my cock in her mouth within an instant.

What did we do ? - What didn't we do more like we spent most of the time shagging like rabbits, god Estelle is keen, and I shot my first load soon. Then a relaxing massage for 15 mins to let the old boy recover followed by half an hour of frenzied sex in at least seven positions when I came twice more and to be honest it felt like a permanent orgasm as my erection did not subside. This is a real PSE. Even after a cold shower I still had a raging hard-on and Estelle laughingly said I had better book a longer appointment next time. Do not worry I will.
