The Premises:

The apartment is a discrete basement property in a very nice part of the west end. Clean, bright, comfortable, well decorated. You feel totally safe. Your valubles are securely stored.

The Lady:

Four ladies in total. Janca, Jasmine, Melissa and Nicole. All very attractive ladies with gorgeous bodies. Janca is European and the other three girls I believe are Brazilian/South American.

The Story:

Imagine this. You arrive and are welcomed by the friendly hosts. The apartment is clean and spacious. There are drinks and a buffet. You undress, shower and put on a white robe. And then four beautiful ladies join you and the other guests to spend two hours fulfilling every desire. Kissing, fondling, stroking, licking, sucking, fucking. Twosomes, threesomes, moresomes. If you're shy you can just watch the action until you relax. Its worth the money just to watch. This place is incredible. Its like the orgy scene from eyes Wide Shut. Amazing.
