The Story:

Ruth arrived at my flat very punctually for what I already knew was going to be a morning's enjoyment.

As soon as the front door was locked behind us we greeted each other like long lost friends with lots of deep kissing and touching. (Ruth is very tactile!)

It wasn't long before we were upstairs getting to know each other more intimately and then we were through to the bedroom. I don't intend to be too explicit - that is private between Ruth and myself - but I found the morning very satisfying.

Ruth I would rate 12/10 for appearance, for conversation, in the bedroom and as a very friendly companion. My most memorable part of the adventure was snuggling under the duvet with Ruth. All too soon my date was coming to a close. Thank you Ruth for all that you are to me on this occasion and the others when we have met.
