Details of Service Provider:

Profile Name: Agency Touch Of Class

Website: <http://www.agencytouchofclasslondon.co.uk/>

Phone: 07796560773

The Premises:

Three bedroom apartment, with three russian girls.

The Lady:

Same girl as in the picture, but less sophisticated then one may think from the picture

The Story:

Poor performance. She is advertising as beeing very openminded. I was seeing her with her friend Jane (very good looking and nice performance). There was a bit of owo, but not very talented, no A, no CIM, no doggy. To tell the truth, you could see that Jane was enjoying herself, whereas Etta should really not be in this business.

Service Provider's Rebuttal

The agency writes:

This field report seems very suspect as Etta did only 1 job on this day at 1.30pm with a regular client. We have no record of any job at 4pm on 30th April 2007, let a lone a duo with a girl we do not even know called Jane! We double checked with Etta and she has no record of this job either? Etta is very open minded and we have constant feedback verifying this and reviews on other sites. Nobody has ever complain about Etta, she has only ever had praise. I think this is very unfair of someone to post a fake review. Susan
