The Premises:

Valentines is about to get refurbished but rooms are clean. Parlour is in small industrial estate near centre of town.

The Lady:

Tall, slim blond with curves in exactly the right places. Great breasts with large responsive nipples. Very tall when in high heels, long legs looked fantastic in seamed stockings and suspender belt.

The Story:

Very friendly, as most of the girls are. Pretty and described very well by receptionist. As mentioned, long legs, large breasts and stockings, what more can you ask for.

Good firm massage followed by snog and fumble. Went down on her for a while she made all the right noises then she performed OWO on me whilst I stood up, lovely sight. Then doggy and mish. Very very nice. She works Monday & Tuesdays before 4pm.

Still say Valentines is expensive but where else is there to go near here?
