The Story:

I have had good and bad sessions her. This one was great. Asked for Domination from lucy who obliged in style. Lucy dressed me in clothes I had provided (red bra and knickers, pvc skirt and stockings) and with spare stocking tied me face down to the bed. I had some light spanking and humiliation and gently teasing. Lucy turned me over and tied my hand around my cock teasing some more before slowly wanking me to climax. It was great session with a fantastic mistress.
