As described on the website: tall, long legs and impressive breasts (all real) and of african descent. Lisa arrived well dress and with a wide smile and sparkeling eyes.

The Story:

Lisa is very softly spoken, almost shy sounding, with a heavy French accent. We kissed a lot. No tongues but she kissed me from head to toe, very sexy. Excellent, velvety OWO. I returned the favour, spending a long time on the largest clitoris I have ever encountered. lisa got very wet very quickly. There were no 'theatrics' or OTT moaning and writhing, she came quietly with her muscles tensioning in a very sexy way. On with the rubber coat and a couple of positions before I came heavily. Finished of with an excellent massage with scented oils. A special lady. Treat with respect.
