The Premises:

Intimate massage is very easy to find (one way system is a bit of a struggle in rush hour) with a non imposing discrete entrance. Inside is clean and superbly decorated. The maid was nice and polite and made me feel welcome.

The Lady:

I was offered a selection 4 girls, all stunning with Honey being the last to see. Honey, Honey, Honey, blew me away the moment I laid eyes on her. Black, 18 years old and FIT.

The Story:

Honey used to be an athlete, but she still is as far as im concerned.

This girl has the stamina of a fine thoroughbred. By the time we were done (we ran over a bit), my legs were wobbling and I felt I'd run 10,000 metres.

Honey has a fine personality to go with that fine body and she just loves sex. The massage was good, the sex even better. Kisses and cuddles and rough sex and soft sex. No OWO, but who cares with someone as fit as this. Throughout my time with Honey, she continually paid me compliments which obviously added to the experience. I won't go into detail, but I can say it was money well spent, in my brief trip to Bedford and I will be back as I will be working in the area for a while.

I would definitely recommend her and I will certainly be seeing her again very soon.

Thanks Honey, see you soon (I think we need more time next time) x
