The Premises:

New location close to Holborn tube. Brown door next to alley. Very clean & comfortable. I was able to shower afterwards.

The Lady:

Slim, attractive Indian lady with a nose piercing. Loves talking dirty about how her pussy gets abused morning, noon & night.

The Story:

Sara was wearing a short skirt & a white blouse. So I asked for 'schoolgirl'. She came back 5 minutes later dressed exactly the same except she had put on a tie. Then she wasted another 5 minutes taking a piss. She was a great shag but I was a little bit disappointed when the maid knocked on the door & Sara told me that there was not enough time for me to come again. True, I was in the building 30 minutes but only 20 minutes were spent pumping up this hot babe. She's well worth fucking but I caution you guys to avoid any downtime.
