Beautiful blonde woman with a gorgeous figure and a sparkling personality. Truly dizzying combination.

The Story:

Helena is a very sexy companion who loves to please and to be pleased. She is adventurous and provides a full on mistress service. The three hours were a great mix of good sex and good conversation. Whilst catching our breath at one stage we talked about her experiences as an escort and she is going to introduce me to the pleasures of threesomes with one of her friends next time I'm in town.
