### The Premises:

Basement flat one minute from the very busy Earls Court tube station, you can hear the trains from inside the flat.!!!

### The Lady:

I had met Sam before at another establishment so I knew what to expect, pretty, tall and small chested blonde.

### The Story:

This flat is pretty unique because it combines fantasy and fetish with a full personal service. In most BDSM flats you are not even allowed to touch, that is not the case here, Sam is very flexible and easy to talk to, she cares about giving a good service. Despite being new to the BDSM scene she is quickly learning the ropes. Only reason I may not return is that is on the other side of London to where I live.
