The Premises:

Luxurious compared with other places in Stoke or Crewe. Tardis effect as it is much bigger on the inside than it appears from the street! Facilities and cleanliness first class eg videos in the room, showere, fresh linen and towels etc. On a par with establishments in Amsterdam or Prague yet prices very reasonable. Very relaxed, friendly atmosphere.

The Lady:

Gorgeous shapely blond, good figure late twenties. Breasts to die for. Very pleasant and friendly and easy to chat to.

The Story:

Got into the shower together which was extremly erotic experience. Then onto huge double bed. Started with reverse cowgirl, then cowgirl. The bed was very springy and it was difficult to hold back watching Cassie's ample breasts bouncing up and down as she bounced up and down on me! Switched to doggie which was great and then to missionary. I couldn't hold back any longer and I climaxed, then collapsed! Highly recommended! I will definetley return.
