The Premises:

Excellent location 2 minutes from Bond St tube station. Easy to find. Clean and well appointed.

The Lady:

Very pretty. Beautiful long hair. Smaller boobs than I expected (more B than C).

The Story:

Eve was eager to please throughout and greeted me wearing very sexy lingerie. All services that I wanted were on offer, plus possibly the best massage I've ever had (but I wasn't there for that). Good owo, cim and sex in various positions, and when I was struggling she put in the effort to make sure I had "seconds". But something was missing - kissing was without passion and there was too much faked ecstasy and insincere compliments (I don't believe my love making has improved that much).

All in all the sex was excellent, but lacked the GFE of other girls.
