The Premises:

fairy spells is a wonderful place. the entrance is a little bit exposed but not too bad.
the rooms are wonderful.

The Lady:

Candy is described as about 5'10" on the website but she seems a lot shorter to me. regardless, she is gorgeous. she has a lovely smile, great skin and a wonderfully petite figure and the pertest boobs i ever had the pleasure of.

The Story:

Candy is just wonderful. nothing is too much trouble. she does not seem to like recieving oral, but thats really not a problem because she let me play in other ways as much as i wanted.

perhaps it was just a natural chemistry between the two of us but we seemed to get along astoundingly and the time was very passionate.

maybe there was not 'chemistry' and maybe Candy is just a goddess?

I guess other reports will tell.

needless to say, I thoroughly enjoyed the time together and I will definately go back and see Candy again.
